REMARKS - COMMENTAIRES

*I have had several discussions with Insp. Campbell, D.P.S.A. respecting this issue. Insp. Campbell advises he has forwarded the entire issue to the Commission for comment. In the interim, he will again be re-affirming the Force's objection to including sexual orientation as a proscribed ground for discrimination according to the Human Rights Act. Noteworthy here, is that the 'Commission' is taking steps to get sexual orientation into the Act. Insp. Campbell will forward further info when received.*
