APPENDIX "H" TO REPORT  
M-1-2(L) DATED 14 FEB 57

Statement of : [redacted]  
Training Platoon,  
RCR Depot,  
LONDON, Ontario.

[redacted], RCR Depot, having been duly  
cautioned in accordance with QR (Army) 101.08 voluntarily stated  
as follows :

Statement begins: I am [redacted] of SOME  
platoon, RCR Depot, LONDON, Ontario. On 11 FEB 57, during supper  
in No 1 Mess Hall, I first met a young man who was sitting at our  
table. This man has since been identified as [redacted].  
I asked me and my pals if we could show him over the barrack block.  
We took him over to the block and he stayed for a couple of hours.  
The next morning, about 7.30 am, [redacted] came into our room (157)  
and stayed there for about 15 minutes. At 1800 hrs, 12 FEB 57, I  
went over to the battalion drill hall to train for boxing, and  
remained there until about 2000 hrs. From the drill hall I went  
over to the wet canteen and had a few beers. [redacted] was already  
sitting at the table with a few of the men. I went to the washroom  
for a "leak" and [redacted] followed me in there. [redacted] asked "how large  
my penis was". I told [redacted] to get out of there or I would break  
his neck. I went back and finished my beer, then went over to my  
barrack room. I took my clothes and started to press my uniform  
and clean my gear. [redacted] approached me and grabbed me by the penis  
and started to fooling around with me. I never took much notice  
and let him fool around with me for a while. I then told him to  
go "try someone else". After this he fooled with someone else. I  
decided some time later to throw [redacted] out of the room and was  
just going to do this when L/Cpl PICKLES came into the room. This  
NCO took [redacted] away. Statement ends.

Signed [redacted]
