MEMORANDUM FOR THE SECURITY PANEL

Revised Cabinet Directive on Security

Attached is a copy of the revised draft Cabinet Directive on Security, amended in light of the discussion at the 73rd meeting of the Security Panel, together with a proposed explanatory memorandum to the Cabinet Committee on Security and Intelligence. You will recall that at the 73rd meeting it was thought that, due to the pressure of time, it might not be possible to have the comments of the Panel on the revisions before the document was considered by the Cabinet Committee. The Chairman of the Security Panel has requested that the document be circulated to the members of the Panel in this form and that their comments be obtained as soon as possible.

2. As an early meeting of the Cabinet Committee is anticipated it would be helpful to have the final comments of the Panel included in any document which they might consider. Comments of substance should be communicated to the Secretary as soon as possible; concurrence in the attached draft revision might be indicated most expeditiously by telephone.

D.F. Wall,
Secretary.

Privy Council Office,
