REMARKS: (To include a brief synopsis of the matter under investigation showing actual or approximate amount of public and/or non-public funds involved, when applicable, and other police agencies participating.)

On the 21 Jan 66 the PAdO RCAF Stn Alsask, Sask., 18438 F/O E McCarthy contacted this Detachment requesting assistance to investigate an incident in accordance with CAFAC C19.00/17 (2). The airman involved is a Cpl employed in the Communication Center, Stn Alsask. His name was not given at this time although it is known to Stn Alsask service authorities. It is suspected, that this NCO had approached two airmen at Stn Alsask sometime during the Xmas 1965 and New Years 1966 period and that his manner and behavior suggested homosexual inclinations.

The PAdO Stn Alsask, suggested that due to the week end period approaching and that Monday the 24 Jan had been set aside for a special unit activity, it would be advisable to commence enquiries on the 25 Jan 66.

A letter requesting assistance is being prepared by the PAdO Stn Alsask, and a copy will be forwarded direct to WSIU by him as well as a copy to this Detachment.

A patrol will be made to Stn Alsask on the 25 Jan 66. Sgt F Mazurkewich and Cpl LE Rochon have been assigned to conduct this investigation.
