CANADIAN FORCES POLICY -
SEXUAL DEVIATES

- References: A. P 5200-14 TD 0036; S 5200-14 dated
20 February, 1970
- B. S 5200-14 (DSECUR) dated 7 November, 1969
- C. P 5200-14 TD 0036 (DPLS); S 5200-14 dated
6 February, 1970

1. Attached for your information is a copy of Reference A which in effect re-affirms the policy relating to sexual deviates in the Canadian Forces.

2. The basic premise is as set out in paragraph 6 of CFAO 19-20 that "Service policy does not allow retention of sexual deviates in the Forces". While References A to C inclusive discuss in some detail the reasons supporting this policy, it would not seem to me that there is any need to amend CFAO 19-20 or to provide any further advice to the Forces on this subject.
