DSECUR. #12-4

1. This report is pending further investigation in an effort to obtain information from an acquaintance which would assist in proving or disproving the allegations against [REDACTED]

2. Para. 4 of this report describes a situation of interest. A polygraph test, consented to by the suspect, was terminated prematurely at the suspect's request. In light of the strict regulations prohibiting reporting refusals by suspects to take a polygraph test perhaps there should also be restrictions on reporting incomplete tests of a suspect who refuses to submit further.

Timber. She agreed in her statement for explanation as to why one was not given. (MRC)
