CFAO 19-20 INVESTIGATION  
222 956 682 SGT PAUL-HUS, J.H.R.J.

Refs: A. 222 956 682 (DLAW/PE)/1462-1 24 Jun 82  
B. 222 956 682 (DMTS 3) 25 Jan 82  
C. CFAO 19-20

1. As per request of ref A the case of Sgt Paul-Hus has been reviewed and the medical opinion remains the same as outlined in ref B.
2. There is no underlying medical condition that could explain his behaviour and as such a medical release is considered inappropriate.
3. This office concurs with the author of ref A in that there is an anomaly in awarding benefits when releasing military personnel under subsection 1(a) vice 1(b) of CFAO 19-20. The benefits awarded should be the same.
