Re DMTS Minute 20 Dec 82.

1. It appears that everyone else in attendance knew the meeting was being taped except DMTS and me! It appears to have been done for record purposes only.
2. I learned today the DMTS' minute was forwarded to the Service Review Board - I have no idea how - but they are threatening to sue him for slander! (LOKE!). I think the point has already been made and NFA is required.
3. Suggest you pass this back to DMTS for info and PA (hopefully) *3 Feb 83*
