COST OF SHIP RENOVATIONS
HOMOSEXUAL ACCOMMODATIONS

Refs: A. 1745-42-3 (DGMEM) 29 May 86
B. 1745-42-3 (DGMEM) 30 Jun 86
C. 1745-42-3 (DGMEM) 31 Jul 86
D. 1745-42-3 (DGMDO) 29 Jul 86

1. Attached as Annex A are the costs associated with the renovations required to accommodate both male and female homosexuals. These figures are extrapolated from ref A, B and C which deal in global costs concerning accommodation of mixed crews of males/females/male homosexuals/female homosexuals. The headings of Annex A detail the breakdown and are self-explanatory.
2. The figures derived should be accepted with caution, ie, costs are not 100% accurate. This is due to the difficulty of determining the absolute costs as some are chain reactive, ie, it is difficult to gauge from the refs whether the adjoining cabin space modifications, etc., are due to the homosexual or female accommodation space requirements. Nevertheless, you have a general idea of the costs.
3. Ref D considers the operational consequences of the modifications mentioned in refs A, B and C. Some modifications do have operational consequences as indicated.
