1. I spoke with LtCol Miller, BAdm O, [REDACTED] on 19 Jun 92 regarding [REDACTED]. He stated he will send us a msg or ltr about mid-week (i.e. 27 Jun 92) indicating that he does not intend to recommend [REDACTED]'s re-engagement because of the wps offence. During our discussion, I emphasized to him that [REDACTED]'s case has the attn of top levels of NDNQ, as well as Svend Robinson and MND. He understands.

2. Once we recv the above correspondence, I suggest that we advise ADM (Per)'s office, and recommend that we do not offer [REDACTED] an extension under the Interim Policy
