APPLICATION OF CANADIAN FORCES HOMOSEXUAL POLICY

I have reviewed your service record and the application of the former Canadian Forces homosexual policy in your case. Based on my review, I am satisfied that the policy should not have been applied to you and I regret that this action was taken by service authorities. I have therefore directed that all references to homosexual activities and the Special Investigation Unit investigation into alleged homosexual activities be removed from your personnel service files.

I take this opportunity to thank you for your service in the Canadian Forces, and I wish you well in your future endeavours.
