RESPONSIBILITY FOR CFAO 19-20

Refs: A. Conference Call DPLS/DPPCS/DPLS 2/DPCAOR 5-2 1 Oct 93  
B. 1745-42-7 (DPPCS) 29 Sep 93

1. This memo will confirm that as discussed at ref A in response to ref B, DPLS remained the OPI for CFAO 19-20 from the time of its promulgation until it was cancelled by the CDS in Oct 92.

2. Despite initial direction by ADM(Per) on 16 May 85 to transfer the responsibility for CFAO 19-20 from DPLS to CPCS (now CPCD), further direction was received from ADM(Per) on 5 Mar 86 which halted the transfer and revision of the CFAO. Thus, DPLS remained the OPI of record until CFAO 19-20 was withdrawn.

3. Although the nominal OPI, DPLS was never responsible for the implementation of the policy. This was and has remained the responsibility of CPCD through DGPCO and DGPCOR.

4. Although the case of Poirier V. the Queen has been settled out of court, DPPCS may be required to answer questions about the responsibility for CFAO 19-20 in the future. It is believed that this response will assist in that regard.
