Security Clearances - Rejections for Employment.

Please list all rejections yearly from 1956-1960 inclusive on the attached pro forma. In doing so, please enter:

- (a) Full name under "Name".
- (b) Year of birth under "Born".
- (c) Marital status at time of application under "Married or single".
- (d) Original source of information under "Source of information", i.e., if applicant has relatives in Communist country put "PHF"; if information was provided by RCMP, DMI, DAI or other source is so indicated. The majority will, of course, be RCMP.
- (e) Enter field or records check under "Method of Investigation". If original information came from department other than the RCMP, show this by an entry reading "Letter to Department of Finance", and under "Remarks" show whether information was confirmed or otherwise by RCMP, field investigation or records check.
- (f) Show cause for rejection under "Reason for rejection", i.e., crime, drink, homosexuality, debt, communist membership or association, etc.
- (g) Under "Code": Grounds for rejection, i.e., loyalty (L), reliability (R), or personal unsuitability (PS).

NOTE: I believe one or two candidates may have been rejected in the past as personally unsuitable without this being reflected in our quarterly returns to the Security Panel. You may have to search your register for trace of these.

2. When you have completed this task I would like you then, on a separate piece of paper, to show for each of these years the total number of officer applicants and other applicants, indicating whether they are male, female, married or single, and the grounds for rejection, i.e., loyalty, reliability or personal unsuitability.

3. Lastly, I would like you to make up a return, using the attached pro forma, of rejections for previous years, i.e., 1945-1955, in chronological order.
