The Honourable Bob Kaplan, P.C., M.P.,
Solicitor General of Canada.

ATTENTION: Mr. J.M. Shoemaker

Dear Mr. Kaplan:

Attached for your information is a copy of the approved Destruction - Retention Schedule for files in the [REDACTED] category, subject to the Archival Limitations appended to it.

Yesterday, Mr. J.W. O'Brien of Public Archives met with S/Sgt. G.J. Kelly, "F" Operations and reviewed a sampling of files "where no investigational activity took place". As none of this group are of an historical interest to Public Archives, we were advised that it would be in order to proceed with this type of material.

Subject to Ministerial approval, we are prepared to commence this review immediately.

Yours very truly,

F.J. Bossé, A/Commr.,
A/Director General,
Security Service.

Director General Security Service Directeur général du Service de sécurité
