Dear Commissioner Simmonds:

I refer to your letter of September 30, 1983 concerning changes to RCMP Bulletin SSOM 72, Security Screening - Reliability Factors - Homosexuality. The changes that you propose take care of all of my reservations regarding the original document. I believe that the Bulletin, as it now stands, is a step forward in the field of security screening, enabling us to obtain maximum relevant information while recognizing and protecting the needs of the individual.

Yours truly,

Bob Kaplan, P.C., Q.C., M.P.
