Should the Comm wish to approve this CSO his signature on the attached english copy will be sufficient – we will then have the material issued as a speedy bulletin in both languages.

I have not been privy to all discussions held to this point in time. I would suggest that if you have advised the minister that it was your intention to approve the policy, then it would now be appropriate to do so, forwarding our letter to the Sol Gen accordingly & providing him with a copy.

If you wish to provide the Sol. Gen with a copy for comment prior to approval, the attached letter is appropriate.
