Dear Elmer:

*refer to 728*  
*CCPM*

I recently received a letter from Mr. Clayton Ruby indicating that he has yet received no reply to correspondence initially sent to your predecessor on June 11 last and then repeated to you on October 23 (copies enclosed). I believe the issue raised in Mr. Ruby's letters is an important one and I do hope you will respond to him with a copy to me in the very near future.

Sincerely yours,

Svend J. Robinson, MP
