This has reference to the memorandum of the D/Comm'r. (Admin.) dated 85-07-22 and to the "Aide Memoire" referred to therein.

I fully concur with the views expressed in the "Aide Memoire" and believe that same are consistent with the views of a large majority of members of the Force. I am not personally aware of any members who would disagree with the views expressed, however in an organization as large as ours, dissenting opinion, for whatever reason, may be expected.

The D/Comm'r. (Admin.) refers to policy changes which might restrict a person who is homosexual from serving as a Regular Member of the Force. Hopefully, the changes can be made in the near future, will be clearly restrictive and will withstand any subsequent challenges under the Charter.
