C.S.O. Homosexuality

REMARKS (Use same A-S for Reply when space permits) - REMARQUES (Si l'espace le permet, répondre sur cette formule)

Yesterday, I didn't have the time/let to see prior to the meeting, a copy of proposed C.S.O. I didn't want to discuss the issue involving the HSO but preferred to read quietly the text in full.

Homosexuality per se is not a disease so there is no reason to involve the HSO at the initial inquiry.
I strongly suggest to amend the bulletin.

1.e.1. On ... situation using any help you judge necessary.

1.e.3. Offer to the members the possibility of being interviewed by the HSO. The HSO will offer the members external help if member agrees.
