

CONFIDENTIAL

(DRAFT CFAO)

EMPLOYMENT POLICY WITHIN THE CANADIAN FORCES

Purpose

1. This order establishes the general policy applicable to the employment of members within the Canadian Forces (CF). Specific CFAOs and other orders and instructions which contain detailed qualifications or conditions for employment in certain trades and classifications, or which otherwise contain conditions respecting employment, such as those relating to postings, shall be interpreted in the light of the general policy set out in this order.

Definition

2. In this order "employment" means the assignment of a member to duty in a particular unit, class of unit, or military occupation.

General

3. Subject to meeting any specific criteria relating to eligibility for employment in certain units or military occupations, any member whose participation can contribute effectively to the operational capability of a unit, class of unit, or military occupation is eligible for employment

therein. Any limitation on eligibility for employment resulting from the requirement that a member's participation be able to contribute effectively to operational capability will be confined to the minimum that must be imposed in order to achieve the required standard of operational capability of the CF in general.
