HOMOSEXUALS & WOMEN IN THE ARMY

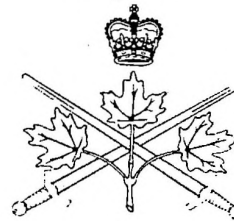

1. Att CAS msg is for info and guidance.
2. Minister of Justice made his statement in House of Commons at 1130 hrs today. He apparently stated that Homos & Women would be employed throughout the CF without restriction but qualified his statement that such a major change would take time to implement. We don't know if he meant weeks, months or years.
3. It is appreciated that para 2 appears to contradict CAS msg.
4. I shall keep you informed of developments. Meanwhile make no official response to questions on this subj.
