B. Discussion CDS/ADM(Per) 27 Oct 86

1. The CDS has completed his review of ref A and wishes to make proposals on the implementation of its recommendations to the MND as soon as possible. Given that he wishes to discuss the recommendations of ref A with his senior military advisers (Armed Forces Council) before approaching the MND with proposals, and given that he wishes to have the proposals presented to the MND before the end of the current calendar year, the CDS has fixed on 12 December as the date by which he must have those proposals in final form.

2. DG Charter will prepare draft proposals on the implementation of the recommendations of the Charter Task Force Report for consideration by the CDS and by members of Armed Forces Council (AFC). Following review by AFC, and final review by the CDS, DG Charter will prepare final proposals for presentation to the MND. The following milestones will be observed:
