Memo to C.O. 'E' Div. → c.c. to D.D.S. ~~D.S.~~ A.

Indicate that we are trying to proceed within the framework of Government policy which seems to be leaning towards the suitability of homosexuals in the service (CDN/RCMP) will be based on conduct & nothing else.

- The Minister is aware of our concerns & is trying to help but we must proceed cautiously. The subject will come up in the Div Rep/Co. conference & maybe by then we'll have more to report.

In the meantime charges under 25(1) must be laid in the same way as against a heterosexual. In short if you wouldn't charge a heterosexual for the conduct, then you shouldn't be considering a service court against the homosexual.

The problem of non-declared homosexuality is of concern to the D.D.S. His concerns are appreciated. It is premature to have a task force at this time until we have a better indication of the government's approach. Hopefully something by the end of April.
