ANNEXES

DISTRIBUTION

w/attachs.

ACB

As agreed at the meeting under reference, we have prepared a working paper, copy attached, on the above subject. The paper has been drafted in the form of a circular document with a view to its issuance as such and its subsequent incorporation in both the Departmental Manual of Security Instructions and the Departmental Human Resources Management Manual. We would be grateful both for your comments on the draft and your views as to whether or not we should proceed with its issuance. If the decision is to proceed, we, as a first step, will forward a copy of the draft to JDS with a request that the text be carefully reviewed to ensure that it accurately reflects the current legal situation of "same-sex" relationships.

C.D. Fogerty  
Director  
Personnel Policy and  
Planning Division
