SUBJECT Assignment of Homosexual Employees.
OBJET Reference: Your tel ADA0228 8 August 1991

We are unable to locate your telegram ADA 0062 of March the 4th but believe based on Bamako's reply that you are requesting local laws and customs vis a vis assignment of homosexual employees.

Niger is 98 percent Moslem. Homosexuality is not practiced nor are there any laws against it in Niger.

J. W. J.
The Embassy.
